

# ANGIE TUCKER, FNP

## BARIATRIC & GENERAL SURGERY

Angie Tucker, FNP  
Bariatric & General Surgery

Angie Tucker has more than 20 years of experience in healthcare as a registered nurse, administrator, and nurse practitioner. Ms. Tucker received her Bachelor of Science degree from James Madison University in Harrisonburg, Virginia. She is also a graduate of Virginia Commonwealth University, in Richmond, Virginia, receiving a Master of Healthcare Administration. She holds a Master of Science in Nursing from James Madison University and is a board-certified Family Nurse Practitioner.

Ms. Tucker has specialty expertise in surgery, family practice, pediatrics, occupational health, and cardiology. Her experience is instrumental in assessing and managing chronic illness and overseeing general and bariatric surgical patients.

Angie is currently welcoming new patients and referrals.
